1 x LEFT (TOP)  
SLIDING FRAME

1 x RIGHT (TOP)  
SLIDING FRAME

1 x LEFT (BOTTOM)  
SLIDING FRAME

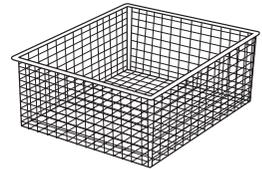

1 x RIGHT (BOTTOM)  
SLIDING FRAME

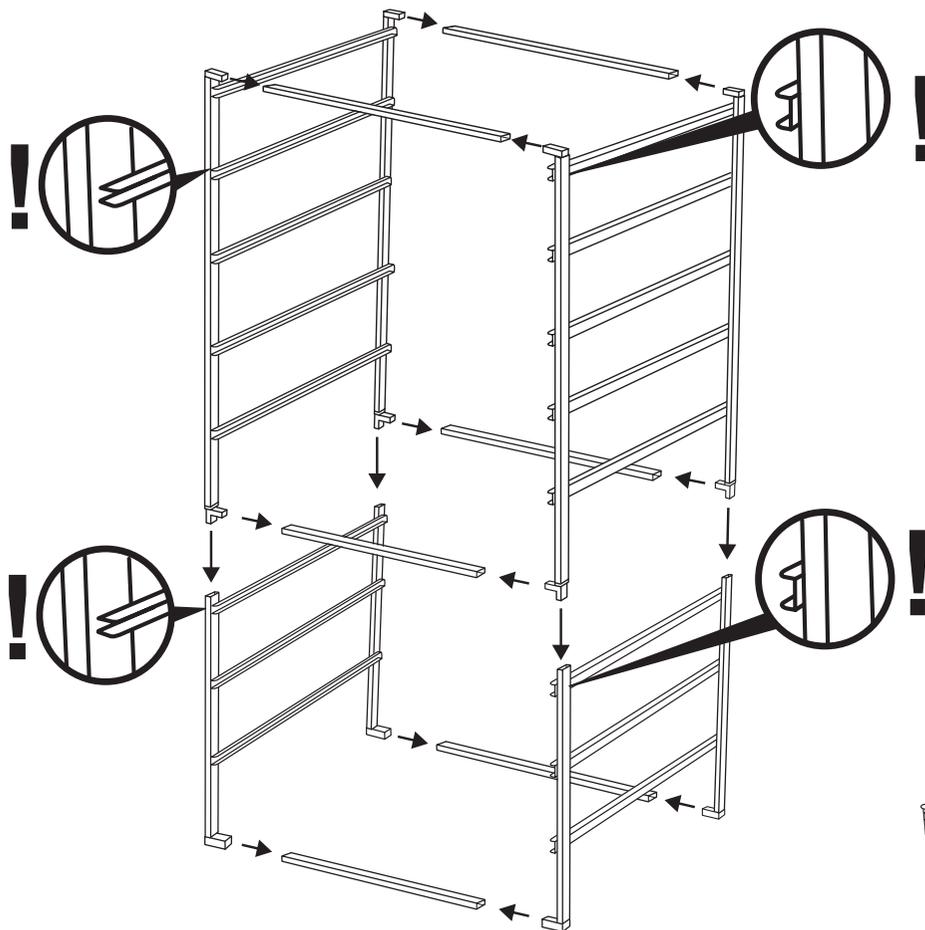

6 x CONNECTOR BARS

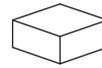

2 x WIRE BASKETS  
(1 RUN)

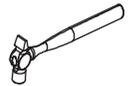

3 x WIRE BASKETS  
(2 RUN)

**TOOLS REQUIRED:**

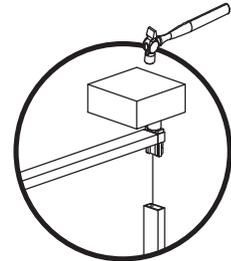

Wood Block

Hammer

To construct product, place a wood block over frame and tap lightly with a hammer.

**HINT:**  
 Do not try and fully fit one Connector Bar before starting the other 5 Connector Bars. To start, fit all 6 Connector Bars to frames so they just hold in place.  
 To finish the frame assembly, gradually work around each corner with your hammer and woodblock, gently tapping the frames and connector bars together.
